

IN THE SPECIFICATION

Please amend the paragraph beginning on page 5, line 23, as follows:

The term “processor” as used herein is intended to include a microprocessor, central processing unit, or any other data processing element that may be utilized in a given data processing device to perform one or more ~~or~~ of the functions described herein. In addition, it should be noted that the memory 106 may represent an electronic memory, an optical or magnetic disk-based memory, a tape-based memory, as well as combinations or portions of these and other types of storage devices. For example, memory 106 may represent an electronic memory of a computer or other processing device and includes the associated drives such as a CD ROM drive and a floppy disk drive.
